## Marimba Performance

### Marimba Performance

I'd like to take this opportunity to congratulate the Woolbrook children on once again performing beautifully last Saturday as an introduction to the Town and Country Luncheon. There were many favourable comments. Thank you to Mrs Smith for accompanying the children.

### Cooking

Just a reminder that next Thursday K/1/2 will be cooking lunch, with Mrs Kaberry, for the whole school. Please bring \$2.50 if you are buying Rice Paper Rolls.

### School Banking

Thank you to the families who have returned their forms. Please return your form by Friday 26th if you are interested so we can send them all off to the bank.

### No Hat, No Play

Wonderful to see everyone wearing hats. Well done!

### P&C Meeting

It was wonderful to see the meeting so well attended. We'd like to welcome our new family, Dianne, David and Michael to our school. Thank you to Mrs Haling and her band of helpers for their organisation to run our first ever Horse Sports Day. They are asking for donations of cakes and slices to be left at the school by 9am Thursday 8 November for Mrs Haling to take into the showground for sale at the canteen the following day.

### Kindergarten Orientation

On Wednesday we welcomed Lucy, our new 2013 Kindergarten student here at school. She will be joining us at school for the next four Wednesdays to get a taste of the daily life of 'Big School'. We look forward to Lucy starting school here next year.

## Surveys

Each year public schools in NSW are required to undertake a self-evaluation process of aspects of their operation. This year Woolbrook School is scheduled to evaluate Maths as the curriculum area and planning as the management area. We view the self-evaluation as an important way of determining how we are going, what parents, staff and students think about the way we do things, and how we might improve what we do. The self-evaluation will help determine the direction the school will take over the next few years.

If there is an aspect of school that concerns you, it is important that we know, so that the issue can be addressed. If you have suggestions about how the school can do things better, we want to hear about them.

Please return the surveys by Friday 26th October. Your name is not required on the survey. Surveys will be immediately placed in a sealed survey box. Be sure to get your surveys in to go into a prize draw.

## Student of the Week
