Excursions

What a busy week with excursions! I'd like to congratulate all the children on their exemplary behaviour, both in Sydney and here at Woolbrook. They have written some stories to share.

Swimming

Please return the attached permission note by Friday, ready to start swimming on Monday. Thank you to all the parents who have put their name on the roster which is attached to the newsletter for your information. Swimmers and towel are to be brought to school and students will change into swimmers at school. We still need 2 volunteers for Tuesday 4th and one more

volunteer for Monday 3rd. Please see if you can help with any of these dates. Children are able to go to the canteen on Fridays and the last day.

School Photos

On Monday 3rd December at 9am we will be having our school photos taken. Please return the attached order form and money on the day. It would be lovely for students to come in school uniform all neat and tidy with a smile on that day.

Excursion Stories

The Singing

When the Sydney people were gone we did singing for three days with Mr Airs. We sang Grandma's Feather Bed, Pick a Bale Of Cotton, The Counting Song, Never Smile At a Crocodile, Working On The Railroad and The Cut Lunch Blues. It was lots of fun and I hope we will do it again. - By Emily

Bowling

At school we went on a trip to bowling and we took the bus and half of the school went to Sydney. There were stairs to get to bowling and my sister Makayla was the best bowler.

The Aquatic Centre

On Friday we went to the aquatic centre at Homebush in Sydney.

It has a lot of waterslides, pools and spas. One was called the Rapid River where there is a pool and a bit on the outside like a rapid. There was also a big green and yellow waterslide that you slide down and land in a pool.

All the pools were heated and the aquatic centre was indoors. All the children in our group got a wristband.

I hope we go again next year.

My Trip to Sydney

After we said goodbye to our parents, we travelled all day and when we stopped at Gloucester we got off and had our lunch and then the bus broke down. Then the bus driver had to go and find someone that would lend him jumper leads to start the battery. When we finally got to the Travelodge we got checked into our rooms. We had dinner later on. A few days later we went to the Aquatic Centre. I mainly went into the rapids. You had to be ten but I was turning ten in half a month. I also liked the wax museum and the wax people looked so real that people were starting to wave their hands in front of the wax people. Some of the figures were, Lady Gaga, Slim Dusty and Elly McPherson. In Luna Park I went on a ride that was called The Ranger and it went upside down. After I got off I was shaking really badly. WAX WORKS

WHEN WE WENT TO SYDNEY WE WENT TO THE WAX WORKS.
THERE WERE SEVEN PEOPLE WHO WENT TO WAX WORKS.
THEY WERE GEORGIA, PHOEBE, RUBY, JACK, BELLE, LILLY AND I.
THE WAX PEOPLE LOOKED SO REAL. I SAW ALF STEWART AND
DANNIE MOEGONIE AND LADY GAGA. THE LADY THAT WAS
WORKING AT THE WAX WORKS SAID THAT SOME OF THOSE
PEOPLE HAD TO STAY IN THE SAME POSITION FOR 4 TO 5
HOURS. THE WAX WORKS WAS SO FUN I HOPE I CAN SEE SOME
OF THOSE PEOPLE IN REAL LIFE NOW. THAT WOULD BE COOL.

Ten Pin Bowling

Last Thursday we went to the bowling centre. We had four teams - my team, Michael's team, Felicity's team and Matilda's team. We had lots of fun. Lots of people got strikes, spares and nobody got the ball into the gutter. Issacc came in third place with a total of ninety seven points. Ana came in second place with a total of one hundred points and I came in first place with a total of one hundred and five. We had a wonderful time.

Sydney Excursion

On Sunday morning we went to Luna Park for the day. I went on the tango train, the flying saucer, the ranger, bumper cars, and the tumble bug. There was also Coney Island.

My favourite ride was the ranger. The ranger goes upside down and you would be on your head for about 20 seconds. Then it comes back down and goes upside down 5 times forwards and 5 times backwards.

The flying saucer is also very fun. You would be standing up in a cage and pushing yourself back on to the mats behind you. It would slowly start to turn around and around. It slowly got higher and higher until it was like a ferris wheel. The flying saucer is a fun ride.

This time when we went to Luna Park I could go on every ride but I didn't go on them all.

It was very fun this year at Sydney

Marsupial Park

On Thursday we decided to go to the Marsupial Park. First Mum took Issacc, Makayla, Charlize, Mrs Cross and I to the Marsupial Park. Molly, Mimi, Iva, Summer, Lochlan, Michael, Sarah, Matilda and Charlie went on the bus to the Marsupial Park. When we got there we first saw a big cage of different ducks and birds. Then we saw cockatoos and jumping birds. Then we took a rest in the shade and had some recess, then we went to explore again. When we went to see the kangaroos they were lying down because they were hot. Then we went to see the guinea pigs, peacocks, budgies and the emus. We all had good fun there and I hope we come back again. By Ana

Luna Park

When I went to Luna park I went on the Tango Train, Flying Saucer, Tango Train, Flying Saucer, Coney Island, Ranger and Ranger again. The first time I went with Georgia on the ranger and the whole time Georgia was saying I'm going to fall out, I'm going to fall out and Janelle came on the ranger too and she was telling Georgia that she wasn't going to fall out. Then Belle came on with Georgia the second time and Georgia didn't scream as much but Belle did. I had a heap of fun and I loved the ranger the most.

Craft With Mr Airs

Last week the people that didn't go on the School Spectacular excursion did some craft with Mr Airs.

We got into groups of about four. I was with Ana, Mimi and Molly. We were given a stencil to trace around and cut out on a piece of coloured cardboard.

When you folded the circle of cardboard a certain way, it folded up into a triangle with three curved tabs on the outside. We glued the shaped together to make a 3D object. Mimi and Molly made fairy houses. Ana got a triangular pyramid.

It was interesting experimenting with new shapes and ideas.

LUNA PARK

On Sunday we went to Luna Park and first we went on the Tango Train. After that we went on the Flying Saucer. We also went on the Spider. After that, we went into Coney Island. I went on the BIG Slide. We also went on the Dodgem Cars and the queue was big. I also hurt my arm because an idiot rammed me! (Daniel). After that we went on the Flying Saucer again and it felt different. We came back off it and then Ruby, Lilly, Belle and Georgia wanted to go on the Tango Train so I went to the clowns. I won a slinky and an angry bird. After that I went to the fishing game and won a sting ray (it was fluffy). Then we went back to the Tango Train. It had just stopped so we went and had lunch. I had hot chips and an ice cream.
