Welcome Back

It was lovely to see everyone's smiling faces back on Tuesday, ready for a busy term. Only 10 weeks until everyone progresses to the next year in their lives!

Author Day—Nowendoc 19th September

Thank you to Mrs Smith, Mrs Laurie and Mrs Williams for providing the transport to Nowendoc on the last day of Term 3. The children had fun participating in drawing activities with illustrator Craig Smith.

Loud Shirt Day

This was scheduled for Friday 17th October, but as several children will be absent we have decided to move it to the following Friday. More information next week.

Mars Video Conference.

Last Wednesday we joined with Yarrowitch to participate in a video conference run by the Powerhouse Museum. We learnt about Mars. Now we need to do research in order to participate in a Mars Mission on Monday 20th. We will be able to drive a rover on a simulated Mars surface to gather information about Mars. How exciting!
