Horse Sports

What a huge event over 4 days!

Congratulations to Tania Haling for all her hard work. I attended on Tuesday and the cross country and show jumping were very exciting to watch. Woolbrook won the relay Mug race beating several other Primary schools. Charlize was reserve champion in show-jumping and Ana came third in dressage and ODE. Well done to Ana, Charlize, Ruby and Iva!

Interschools Horse Extravaganza, by Ruby, Ana, Iva and Charlize.

On Saturday the 18th of October we went to the AELEC to ride horses at ISHE. First we did hacking and then in the afternoon we did sporting. Then we took our horses back to the stables and finished up for the day. On Sunday

we did hacking and Rider classes.

After lunch we did sporting and we won the mug race in the indoor arena. We had the Woof and Hoof at 8pm. On Monday we did dressage and show-jumping. On Tuesday we did the ODE, cross country, jumping and dressage. It was a lot of fun and we hope they run it again next year.

The Term 4 meeting will be **Monday 27th October at 5pm**. On the agenda is the Presentation night BBQ, excursions and subsidising uniforms for new families.

Mars Video Conference, by Belle.

Last Monday we had a video conference with the Powerhouse Museum. We got to drive a rover on a virtual Mars yard and learnt to move the camera around to take photos of rocks. We were all in teams and had to find the rock that matched our clue. We were trying to work out if there had ever been life on Mars.

State Athletics, by Jason, Phoebe, Georgia and Ruby.

On Thursday the 16th of October we competed at State Athletics at Homebush in Sydney. We felt very nervous because there were lots more people than there were in Tamworth at the Regionals. We came 3rd in our heat which made us 8th overall out of the three heats. We qualified for the semi-finals. We came 3rd in our semi-final heat so we were still 8th overall. We made it to the final where we came 8th overall. We feel proud of our achievement to be the 8th fastest school in NSW.
