Sleepover—Yawn!!

Sleepover

What a wonderful time all the children had playing games, watching movies and sleeping. No doubt the parents had a restful evening!

Reports

These will be sent home on Friday 12th December. If you would like to discuss your child's progress with the school please ring to make an appointment.

Korean Slideshow

Last Friday we linked up with Ohm cheon for the second time and presented a slide about our school life. It was very interesting to hear that their day is very different from ours. They have a much longer school day. Here are the Juniors' thoughts—

Zoe - They have rice every day. They make different music.

Lilly - They eat rice every day. They play instruments every day.

Katie - I think Korea is interesting. They play instruments every single day.

Troy - Korea has different musical instruments. Korea doesn't have lots of animals.

Molly - It takes 30 minutes to get through the rice field to get to the next class. We have a horse paddock, not a rice field.

Iva - Korean people eat rice with everything like chicken, vegetables, meat, fruit and lots of things.
