Week 5 Term 4 Friday 7th November 2014

Year 6 Orientations

Year 6 Orientation Days

Belle, Georgia and Phoebe went off to High School yesterday for Orientation. From all accounts it was a bit nerve racking to begin with but exciting by the end of the day. Ana and Ruby are off to their day next Monday. We wish the girls all the best for next year as they begin the next stage of their lives.

Uniforms

If you wish to order uniforms for next year from the LW Reid catalogue you can do so at school. We have the catalogue, price list and order form here for your convenience. Could orders please be in by 28th November.

P&C Fundraisers

Congratulations to Lyn Dark on winning the wood raffle last Friday at the cake stall. Please note that now on Saturday 15th November the P&C will be manning the BBQ at the Farmer's Markets as a fundraising event. They will also be selling cakes. Donations of cakes would be greatly appreciated and can be left at school the day before if needed. Helpers are needed to work on the BBQ between 8.30am-12.30pm. If you can help at any time please ring Kathy Rule on 0408 646 569. We will be playing marimbas from approximately 10-11am.

Change to your Term 4 Calendar.

There will be no swimming on Monday 15th December, therefore we will be only going for 9 days.

Personal Development Session for Years 5/6.

Please return the attached permission note for this excursion. The seniors will travel to Yarrawitch by private vehicle for this session. Parents are welcome to attend.

School Sleepover 27th November—Date to add to Calendar.

The SRC are organising a school sleepover on Thursday 27th November. Details are yet to be decided but the children will go home on the Thursday and return for tea and activities. On Friday the SRC decided that everyone will stay in their pyjamas! Interesting!

Video Conference with Korea.

We are preparing a slide about ourselves to share with Ohm cheon, a school in South Korea. We are participating in a video conference with them on Friday 14th November. In our slide we are including things like our age, class, hobbies, where we live.

We are having a second video conference the following week and the topic to discuss will be school life - subjects, a typical day, homework and what's in our lunch box!

I'd like to thank the UNE and Mrs Smith for organising this wonderful experience. Hopefully there will be follow up conferences next year.
