Week 7 Term 3 Friday 29th August 2014

Lake Keepit

Lake Keepit

What a well behaved bunch of children we had at Lake Keepit. Well done everyone for being well mannered and helpful. The older children exhibited excellent leadership skills by looking after the younger children. All our children mixed with children from 10 other small schools and they got in and did their rostered jobs. Excursions are about learning to be independent and get along with others, as well as participating in all the activities. Kayaking, for the seniors, was a new activity as was Zootopia Rogaining, for the Infants.

Cricket/Soccer Clinic

On Tuesday from 1.30-3pm Kathy, Junior Cricket Development Officer, and Howard, Junior Soccer Development Officer, will be running skill clinics in these sports at our school.

T20 Cricket Day

Please return the attached permission note if your child (Years 3-6) would like to attend this day. We play several short games of modified cricket. We will need some parents to volunteer to transport the

children to Armidale on Thursday 4th September. We will not be back in time for the bus as we are expected back about 3.30pm.

Congratulations Spelling Bee Representatives!

Over the past few weeks Years 3 to 6 have been participating in a Spell Off, where each week we had another round and people were eliminated until we ended up with our two Junior and Senior representatives. Congratulations to Michael and Charlize who will represent the Juniors and to Ruby and Georgia who are our Senior representatives. They will compete at the Regional Final at Ben Venue on Monday 8th September. We wish them all the best.

Lunch Orders

On Monday 1st there will be pies for lunch orders. The advertised mince and pasta will be the following week. Sorry for any inconvenience.

Reminders:

- 2nd Sept—Cricket/Soccer Clinic at school
- 4th Sept—T20 Cricket in Armidale
- 8th Sept—Spelling Bee Regional Final at Armidale

Tennis Court Hire

Families wishing to hire the tennis court on weekends to have a game with their children are most welcome. You will need to collect the key from school on the Friday. There will be a Hire Book where you sign in and out and pay a donation of between \$5 and \$10 depending on the length of time you play. We hope lots of families will take advantage of this new wonderful facility.

Calrossy Horse Sports

Last Friday Ana, Charlize and Ruby represented the school at this event. Charlize and Ruby gained numerous placings and Ana was the 12 year girl champion. Well done girls.
