## Welcome Back

### Welcome Back

We hope everyone had a restful holiday ready for a busy Term 4. There is a calendar attached for your information.

### Multi-Cultural Day at Woolbrook - 11 September

The children enjoyed all the activities on Multi-Cultural Day. Thank you to Dominique, Aditya, Mrs Bloomfield and her Walcha Central students for providing interesting activities.

### Coffs Harbour Excursion.

We all had a wonderful time although I'm sure there were some tired and cranky children on the Friday night! Enjoy the attached photos!

### Billy Tea Bush Band at Walcha Central.

On Thursday 29 October we will be travelling to Walcha Central to attend a concert followed by workshops. We need to be at Walcha Central School by 9.30am, for a 9.40am start. We are hoping to get enough private transport to take the children. Parents are welcome to attend the concert and workshops if they choose. Please indicate on the attached permission note if you can help with transport. The activities will conclude at 11.40am. We will then go to the Historical Museum and Pioneer Cottage and have lunch in the grounds as well a look around the complex.

### T20 Cricket at Tamworth

On Friday 30th October students from the senior class will be participating in a T20 cricket day.

The children will play several games.

We do need transport for this day. Please return the attached permission note if your child is in the team, indicating your availability for transport. It is a 9.30am start, finishing around 2-2.30pm at Riverside No.2 oval. Not sure if there is a canteen at the ground. More information to follow.

### Tennis Coaching

Beginning next Wednesday we will be having tennis for Sport. Therefore children can wear their sport uniform on Wednesdays. We have the services of Peter Lesurf, who will provide tennis coaching for six weeks. The two classes will have separate group lessons. We are able to offer this coaching for free as we secured a sporting grant. How lucky!

### Kinder Orientation

We will be welcoming our Kinders for 2016 for five consecutive Mondays beginning on the 26 October. How exciting!

### UNSW Mathematics Test—Yrs 2-6

We have received our results for the UNSW Mathematics Test. Everyone received a Participation certificate except Iva and Billy who received a Credit. Well done boys. These are our first Credits in Mathematics in the last four years.

## Reminders:
