Seniors To High School

Seniors To High School

Last Tuesday the Seniors had the opportunity to attend High School for a Sport Leadership Day. These days are excellent opportunities for our children to become familiar with High School. What the Seniors thought -

Charlize— Fruit Salad was a fun game. I had to choose a partner and we had to agree on a fruit. Then when the teacher called our fruit we had to run.

Jason— I liked meeting new people and playing different games. I really enjoyed Map Ball which is a bit like baseball but you kick the ball.

Michael— I liked playing Rugby because I made friends with the rest of the team. When we played Cricket Ben made it fun.

ANZAC Day

The RSL have contacted us to invite us to participate in the annual ANZAC Day march. We assemble at the corner of South and Hill Streets at 10.30am on the 25th April. If your child is able to march please let the school know as we need approximately 8-10 students.

Teddy Bear Hospital

Remember to bring your teddy on the 24th March. The doctors will be able to heal your teddy, no matter what is wrong with it!

Easter Hat Assembly and Easter Raffle.

On Wednesday 1st April we have our end of term assembly combined with our Easter Hat Parade. On this afternoon the P&C draw their Easter Raffle. They are asking for donations of Easter items to make raffle prizes. Please send in any donations. Thank you.

School Plan

The Staff are in the process of writing the School Plan which is a document outlining directions we would like to improve in over the next three years.

Our directions are -

1. To build teacher capacity to deliver consistent, high standard educational practices to students,
2. To maximise student outcomes by personalising student learning through the delivery of quality educational practices,
3. To develop a positive school culture with increased community involvement.

If you have any ideas or suggestions about how we can improve in any area or about new programs we could implement please return the attached sheet. We value all input.
