Week 6 Term 2 Friday 29th May 2015

Taster Day

Taster Day

Years 5 and 6 again enjoyed their day at High School last Tuesday. It is wonderful to have several opportunities to join in with our local high school. When each child was asked what they enjoyed the most they all had different answers, which was good. Jason enjoyed Home Economics, where they cooked, and ate, a pizza. Charlize liked the music lesson, while Michael found the maths activities interesting.

Questacon Science Circus: 5th June.

Just a reminder that Yarrowitch, Niangala and Nowendoc will be joining us for the Questacon Science Show next Friday. The P&C will be selling cakes/slices for 50cents for morning tea and would appreciate donations. They will also be cooking sausages for \$2.50 and have Poppers for \$1 available for lunch. Parents are most welcome to watch the Science Show from noon till 1pm.

NERAM Art Competition.

Mrs Smith and the children have been very busy creating artworks to enter in this competition. Children need a permission note to be able to enter their artwork. Please return the note if there is one attached. The entries need to be sent early next week.

Public Speaking Day at Nowendoc on Wednesday 10th June

The whole school will travel to Nowendoc by bus for this day. Years 3 to 6 will participate in Public Speaking activities, while K-2 will join in with Nowendoc children for lessons. As we need to be there by 10am **the school bus run will be 15 minutes earlier.** We will be leaving school by 8.30am. Please return the attached permission note. There will not be a BBQ so children need their own morning tea and lunch.

Currabubula Art Show

Our students entered this art competition. We had some excellent results. Molly Williams and Maddie Smith received Encouragement Awards for their entries in the Black and White section. Well done girls.

Reminders:

- ♦ 1st June- Book Club orders due
- ♦ 5th June—Questacon Science Show
- ♦ 10th June—Public Speaking at Nowendoc.

Community News
