Woolbrook Public School News

Weeks 1 & 2 Term 4 Friday 21 October 2016

Welcome back.

We have started the new term with a new look foyer! The walls are covered with great photos of all your children participating in many varied and wonderful activities. Please feel free to pop in and have a look.

Well-Being Day at Walcha Central.

Last Friday we had an informative day at Walcha. The workshops were all about looking after ourselves and having a positive outlook on life. The children participated in activities involving laughter yoga, hygiene, drugs and alcohol and being sun safe.

Safe Respectful Learners

T20 Cricket in Armidale—Friday 28 October.

We have entered a team in this competition. Any child in Years 2-5 can play. The games are 8 overs a side, with everyone batting and bowling. We play four games against other schools. We require private transport. We need to be at Harris Park at 9.30am with presentation at 2.15pm. Please find the permission note attached.

Community and Engagement Survey.

There is a short survey attached about engaging the community in our school. We appreciate and value your ideas. We are always looking for ways to involve the community more in school activities. The children thoroughly enjoyed the community members coming to school when we ran Clubs.

P&C News

The minutes are attached. The P&C have decided to have a Christmas hamper to raffle at Presentation night. Any donations that you could send in for this hamper would be greatly appreciated. The school will be holding a multi-cultural day sometime in Term 4, with the other three small schools attending. (Date to be confirmed). The P&C will be selling morning tea and cooking a sausage sizzle on this day. Donations of cakes, slices, biscuits etc. can be left at school at any time as the P&C have a freezer at school where donations can be stored. The tree near the car park has been heritage listed and the P&C would like to put a plaque by the tree. If you have any ideas for the plaque wording please contact the school. There is a brochure at school suggesting options for your perusal.
