Week 9 Term 1 Thursday 24th March 2016

Easter Assembly

Easter Assembly

What a fun Easter Hat Parade today. Look for the photos next newsletter! Have a safe holiday over the Easter break.

Yarrowitch Excursion

Remember that **on Tuesday we are off to Yarrowitch and the bus run will be 15 minutes earlier.** We will pick up Walcha Road students at about quarter to nine. Children need their own recess and lunch. There is no canteen this time.

Book Fair

A big thank you to everyone who bought books at Book Fair. We were able to purchase several new books for our Library from our commission.

Contact Details

If you change your contact details, including your mobile phone number, please remember to let the school know. It is important we have up to date details.

Cross Country at Walcha Central

On Friday the 8th April we will be going into Walcha Central to participate in our annual Cross Country race. The permission note is attached. There is also an information sheet attached from Walcha Central. Travel will be by private vehicle. Please contact the school if your child needs a lift so we can organise a lift.

REMINDER about 'CLUBS' HAVE YOU ANY IDEAS? DO YOU HAVE A TALENT TO SHARE?

Thank you to the people who have contacted the school about coming up to deliver some lessons to the children.

Remember—

During Terms 2 and 3 it is hoped we can establish clubs where interested community members come up to the school and deliver a series of weekly lessons, over possibly 4 weeks for about 45 minutes, to a small group of 4-5 students on a particular area of interest. Possible ideas could include sewing, knitting, leatherwork, woodwork or cooking. All resources will be purchased by the school. If you feel this is something you are interested in please contact the school. This is a lovely way for the community to further interact with the school children.

Centacare Lessons

Over the past few weeks the children have enjoyed the lessons delivered by Sharon from Centacare. Each week they had a story, discussion and craft activities about being resilient, recognising their strengths, communicating and solving problems.
