Small Schools Athletics

Small Schools Athletics Carnival

What a great day the children had last week. They all tried their best and had a go at everything. Well done! We won the trophy for the highest overall point score. Go team! This trophy represents a team effort with everyone entering every event. We had some excellent individual results. *Lily Rule* broke the 200m record. *Cooper* and *Lily Rule* were Minor Runner-up Champions, *Iva Haling* and *Sarah Oneil* were Junior Runner-up Champions and *Troy Pendlebury* was the Senior Boy champion. Thank you to all the parents who were able to transport their children.

Kids Matter

Last Thursday Mrs Smith and Mrs Cas attended 'Kids Matter' training in Armidale. The focus of this program is to ensure that communication between the school, families and the community are supporting students to become more confident and familiar with the people in their local area. The program links with our Positive Behaviour for Learning program which promotes healthy relationships between students, families, staff and community.

A parent/carer survey was sent home on the last newsletter. Please return your survey to help the school develop initiatives to promote a caring inclusive atmosphere at our school.
