As part of our Science Unit we will be visiting Walcha Dairy on **Friday 24 June 2016** to view the process of milking. We will be travelling to the dairy to have a picnic lunch before viewing the poddy calves and milking procedures. New Look Newsletter!

We are trialling an updated newsletter format. We hope you like it!

Clubs

The last two Tuesday afternoons students and volunteers have participated in Clubs and what wonderful afternoons these have been! The students have thoroughly enjoyed them and I think the volunteers have as well. We have seen the children knitting, making candles and leather bookmarks and learning the finer techniques of some Athletic skills. Thank you to the volunteers and we look forward to the next two weeks.

Reports

Mid year reports will be ready for collection in Week 10. This year we will be conducting interviews with parents and children together so we can discuss how to get the best possible outcomes for your children. Please return the attached slip indicating a couple of suitable times and we will return it confirming your appointment.

Student Discipline Policy.

Over the past few weeks the staff and students have been writing this policy. Students have discussed the behaviours we want to see at Woolbrook school and have listed rewards and consequences. Please go over this policy with your child/children and if you would like to add to this document please discuss this at your mid year interview in Week 10. We value your thoughts and ideas.
