### Broken Bay Camp—Stories from the children.

*I liked meeting people because all the people I met were nice to me. On Trivia night I was in a team with most of my new friends. I enjoyed learning all about what my new friends liked.*

*By Zoe*

**Flying Fox** - My favourite thing at Broken Bay was the flying fox. There was safety gear. There was a harness, wedgie strap, helmet and smart hooks. They were called that because one could be opened and the other could not be. Firstly I had to climb a ladder, then I had to use the smart hooks for the next one. Then I had to wait a minute for Sarah to go. Then very scarily it was my turn. It LOOKED VERY SCARY!!!! It seemed like a dream when I jumped down. I was about to scream but I was too scared to. Then it was done, I was shaking!! When it was Lucas's go, he was scared so we started chanting 'Go Lucas' several times and we chanted the same thing for Zoe. Then Daisy and I took Lilly to the toilet and then Jade gave us cake!! *By Molly Williams*

*The flying fox was scary. The ladders were high. It was scary. I ran in the air.* *By Lucas Wallis-Glenn*

**Beach Activities** - *On the third day we went down to the beach for some activities. The activities that we did were marine walking on the rocks, sand castle building, the tennis ball challenge, aboriginal shelter building and tunnel building. Both of the teams won because the boys won two challenges which were aboriginal shelter building and sand castle building and the girls won tunnel building and tennis ball challenge.* *By Iva Haling*

**Hanging Out with the Girls** - My most favourite moment was when I was in the cabin with Molly and Daisy one of the nights after dinner. We were lying in bed talking and joking around then the subject of dead animals came up. Molly was homesick so I let her have my little teddy which is scented. Two of us cried. It was fun that night. The girls went to sleep and I started to read a book. *By Sarah Oneil*
