Circus Challenge

WOW! The crowd went wild when Michael did his first trick! His trick was juggling. We went to the Circus Challenge on Wednesday 22nd March. We sat there as Daisy was up with Michael while he was juggling. She had to catch a ball in a hat. She dropped one and Michael said to pick it up and nobody will notice. It was raining so we came straight home. We learnt a lot.

Small Schools Cross Country

Go! The race was on. Who was going to be the winner? On the 29th March there was Cross Country at Walcha Central. Troy came first in his race while I came third, Katie 6th and Tiffany 7th. Levi and Brayden came first and second. These were the results for the Small Schools races. It was a great day and I congratulate everyone on their participation.
