P&C News—Reminder

The raffle will be drawn on 30 June.

Excursions—Lake Keepit and Canberra

The Juniors are off to Lake Keepit on *Wednesday 30th August* for 2 nights and 3 days, while the Seniors are off to Canberra for a whole week beginning *16th October*. Costings are still being finalised with Canberra being about \$700 and Lake Keepit about \$250. The school and the P&C are very generous with subsidising excursions as we are committed to keeping the cost as affordable for families as possible. Hopefully we can keep the parental contribution to \$100 for Lake Keepit and \$200-\$220 for Canberra. You are most welcome to begin making periodical payments. Final costings and subsidises will be discussed at the next P&C meeting early in Term 3.

Assembly—Fundraiser for The Cancer Council and The Heart Foundation by Sarah Oneil

Yay! The Assembly is here! On 26 May we did *Jump Rope for Heart* and *The Biggest Afternoon Tea*. We raised \$83.50 on the day and we split this amount between the two organisations. We were able to encourage some of the parents to skip with us as well. The cakes we ate for afternoon tea were yummy. Thank you to everyone who made donations on the day.

Taster Day by Molly Williams

It sounded like a herd of elephants! I have never seen so many kids. Everyone was running to the Tiered Learning Centre so we could start our day. We were in the same groups as last time. My group had computers first with Mr Taylor. Computers was the best subject of the day. We also did the Year 7 Experience which was learning about chemicals in the water which could harm us. Music was another Subject. We played a game called pass the beat around the room. This was fun! At lunchtime my friend Sarianne and I went and played Minecraft. Next time I hope it is as great as this day was.

Clubs by Iva Haling

Wow! Learning Japanese is such fun! Every week we do Clubs. There is Japanese and Yoga. In Japanese you learn how to count to ten and say your name in Japanese. My name is Iba in Japanese. Troy's is Sroy. Daisy's is Daashi. Molly's is Moori and Sarah's is Sierra.

I interviewed Maddie who did Yoga and she said, 'the moves that we did were rocking chair, balancing and wood plank. I also really enjoyed doing Yoga' she said.
