Assembly, including Book Character Parade

Excursions

Planning is in the final stages for the Junior Excursion to Lake Keepit from Wednesday 30th August to Friday 1st September. Please find attached the permission note and a list of requirements for your child. Due to the generous subsidies from both the P&C and the school, the parent contribution is \$50. We are very fortunate to have a very supportive P&C and we thank them for their continued support.

The Term 4 Senior excursion has been changed from Canberra to Sydney, due to unavoidable circumstances. Planning is just beginning and again the parent contribution will only be \$50!

More information will follow.

Instalments may be paid to the office at any time.

Woolbrook Public School News

Weeks 2 & 3 Term 3 Friday 4 August 2017

Art Class, by Sarah Oneil

On Tuesdays we have art class at lunch time. We changed art class from Monday to Tuesday because we wanted the Pre-Kindies to be able to join in. This week Iva became a teacher of Art class as well. It will be good to have three teachers again. Daisy used to be the third teacher with Molly and myself, but unfortunately Daisy moved away last Thursday.

School Homework, by Iva Haling

Wow! A nuclear bomb! Working towards the mid term assembly the Seniors are going to be doing homework on an invention that has changed the world. The Seniors are hoping to blow your minds and learn something new. Also some of the Seniors will be wearing the inventor's outfits. Hopefully we'll see you all at the mid term assembly to watch us present our projects.

Spelling Bee, by Molly Williams

"O-K-R-A " spelled Iva. Last Monday morning the whole Senior class had a spell-off. It's when Mrs Hazlewood reads a bunch of words out and we try to spell them out loud. Iva and I won, so that means Iva and I are going to Armidale to verse heaps of kids.

Safe Respectful Learners

Science Bus at Yarrowitch, Friday 11th August.

As the children thoroughly enjoyed the UNE Science Bus when it visited Woolbrook, we are going to go to Yarrowitch School to join with them as the Science Bus visits their school. The children will participate in different activities from the ones they experienced here. Children will need to bring all their own food as there will not be a canteen. The morning bus will run at its usual time and we will leave as soon as the children arrive at school.

Thalgarrah Environmental Centre near Armidale

This year the four small schools will all join together at Thalgarrah for a Science Day full of exciting activities on Tuesday 15th August. As Mr McKenzie would like to start the activities at 9.30am we will need to leave Woolbrook by **8am**, so the morning bus will need to **run an hour earlier!!** We could be approximately half an hour later in the afternoon to be able to participate in as many activities as possible. It will be a big day.

Mid Term Assembly and Open Day

We will be combining Education Week and Bookweek on Friday 25th August, beginning at noon with classroom visits. The P&C have kindly offered to cook a free sausage sizzle for lunch and then we will have our Assembly and *Book Character Parade*. Please come along and join in.

Students of the Week

<u>28/7/17</u> Molly Williams for great organisational skills	<u>28/7/17</u> Zoe Cas for working hard in Maths
<u>4/8/17</u> Iva Haling for a great start on his homework project	<u>4/8/17</u> Katie Williams for great work in Writing

P&C News

Please find attached the minutes of the last meeting. We will be constructing the new sandpit during school time over the next few weeks. If you are interested in helping please contact the school.
