Small Schools Swimming Carnival, by Alexi

What! I was Small Schools Senior Girl Champion! I had never been a swimming champion before. It felt awesome to have the medal around my neck. I went in the 50m races for freestyle, backstroke, breaststroke and butterfly. Butterfly was hard because I'd never done it before. I had to race against the boys. I was also part of the Woolbrook Relay Team.

District Swimming, by Zoe

I was terrified!!! I had never been to district swimming! It was one of the best experiences in my life. Iva, Molly, Alexi and I were in the relay. Iva swam first, I swam second, Molly swam third and Alexi swam last. Niangla won the race, Kingstown came second and we were third. Yesterday was one of the best days of my life!
