### Taster Day, by Molly and Iva

Wow! We both thought that Geography with Mr Hazlett, was awesome as it was about life after humans. The video showed that long haired dogs and small dogs would die as they need humans to look after them. Buildings and bridges would collapse. We wondered how this video would end. We also enjoyed History with Mr Usher as we learnt about medieval torture and crimes. How gruesome. Don't nag your husband otherwise you could get quartered, which means your arms and legs get tied to two different horses and stretched until they come off!!! Ewww!!

### Clean Up Australia Day, by Katie and Lucas

Yuck! Look at all the rubbish! The Year Six cleaned up in the horse paddock and the rest of us had collect the rubbish in the playground. There were three groups—Bumzinger, Star and Winners. Star and the Winners tied! We even found some glass. We went in Clean Up Australia Day because we wanted to do our bit to clean up the world!!

## Safe Respectful Learners

### Reminders

**P&C AGM Monday 12th March 3.15pm**

**Easter Holidays are Friday 30th March & Monday 2nd April**

### Wednesday 21st March

The children will have the opportunity to entertain a group of visitors from Riverview by playing marimbas and reading stories. The children will then be able to listen to some stories from our visitors and ask them questions.

### Wednesday 28th March

Our annual Small Schools Cross Country will be held at Walcha Central on the 28th March. Children will be able to walk the course at 8.30am. More details to follow next week when we receive information from Walcha Central.

### Thursday 29th March 2pm Assembly, including Easter Hat Parade

Please come along and enjoy our annual hat parade and we have also prepared a short play for your entertainment.

### Book Fair is Monday 12 March —Friday 29 March

Feel free to come and browse the collection of books any time over the next three weeks. Books may be taken when payment is received. The school earns a commission on sales allowing us to purchase books for our library.

### Professional Development

Staff have been participating in several workshops recently to provide more opportunities to our students. At the Science workshop we concentrated on building collaborative learning groups to investigate Science inquiry questions. Staff have also been learning about processes to teach creative and critical thinking through Project Based Learning. Watch this space!
