## Westpac Rescue Helicopter Visit

Michael came to our school last Thursday. He showed us a video of a helicopter flying around. He gave us all a cap. Alexi gave Michael \$100 that we had raised. He was so excited. Keep sending in your bottles. By Mia

## Easter Assembly and Hat Parade

Geez! This is so embarrassing! We had to walk around in a circle with our Easter hats on. My hat had a cat on the front with lots of glitter, cat stickers and some purple crepe paper on the back. Also we had an assembly where we acted out a play named "The Gingerbread Man". I was the Gingerbread Man. I wore brown shorts and I got dirty in my shirt so it was brown and I wore that. I am looking forward to having another assembly. By Katie

Weeks 9&10 Term 1 Friday 6 April 2018

## Welcome to our new families

We welcome our new families to our school this week. Hello to Daisy O'Brien, Steven and Theo Coffey-Beale and Jannali Robinson-Reid. It's lovely to see our school growing.

## Small Schools Cross Country

We were versing so many Walcha Central kids. We were so nervous our hearts were pounding when he said "Go!" I was coming 3rd. I was running 3 kms with so many people. Out of the small schools Phoebe Laurie came 1st and I came 2nd in the senior girls and most of us made it to district.

We were so proud of ourselves. By Alexi

## Safe Respectful Learners

### Life Education Van at Yarrowitch Wednesday 11th April

Just a reminder the morning bus run will be 15 minutes earlier on this day to ensure we get to Yarrowitch on time. There is a \$5 bus levy per child for this trip. It would be appreciated if notes and money are in by next Tuesday. Children will need their own morning tea and lunch as there will not be a canteen operating.

### Little Learners begins on Tuesday 1st May

Children who are ready to begin school next year are able to attend an extended transition program by coming to school every Tuesday, beginning on the 1st of May. We thank Ms Smith for her organisation in implementing this program to ensure your child has the best possible start to Kindergarten in 2019.

### Leadership Course, Tamworth Town Hall on Tuesday 8th May for Years 5/6

In previous years the Senior students have found this a fun and informative day. Years 5/6 get to discuss ideas with Year 5/6 students from other schools and participate in leadership activities.

## Pluviograph

Thank you to Ruth and Terry Watson for their donation of the original rain gauge. We have proudly displayed it in our front garden.

## Students of the Week

6/4/18

Alexi Ross for  
thoughtful contributions  
to class discussions

6/4/18

Letiesha-Lee South  
for working hard in all  
areas

## ANZAC DAY Wednesday 25th April

We realise that with ANZAC Day being in the middle of the holidays some families will find it difficult to participate in the March. However, if you are able to attend the school will assemble at the corner of Hill and South Streets at approximately 10.30am. Students need to wear full school uniform. Ms Smith will be organising the students at this event.
