Grip Leadership Excursion, by Year 6

“Wow!” We were up again! It was fun being on the stage. On Tuesday the 8th of May Years 5/6 went to the GRIP Leadership in Tamworth. We all learnt new things to be a good leader. The thing that I learnt was to come up with new ideas to come back to school with. By Daisy

Aaaahh! This is so much fun! GRIP Leadership is the best!

On Tuesday the 8th of May Years 5/6 went to the Tamworth Town Hall for GRIP Leadership. We had three sessions and in each session we learnt about being a good leader. Also, close to the end of each session, there were two boys that would come out and they were called the loud noise boys. I really enjoyed GRIP Leadership and I think that it is a good experience for growing leaders.

It was so much fun at the GRIP Leadership day. We had music, games, quizzes, standing on stage and acting. The loud noise boys came on stage and made everyone laugh. The loud noise boys were two boys that would make funny jokes and they told us what integrity meant. It means being honest and being sure about doing the right thing. These are good qualities for a leader to have. It was the best day ever. By Alexi

“If you’re happy and you know it” is how the day began. Ha, ha, ha, ha! The GRIP Leadership day was awesome! My favourite group was the loud noise boys. They were so funny! They made this thing up called be a strawberry leader not a watermelon leader. So that was meant to be the same as you are on the inside as you are on the outside. I wish everyday could be like GRIP Leadership day.

More Paperwork!!

We have been informed that it is best practice for all our parents and carers to have a Working With Children Check, in order to volunteer at school. This is a free application. People can apply on line at the Service NSW website and then take that number and 100 points into your local Service NSW centre. If you have difficulty accessing the internet at home Mrs Cas has kindly volunteered for you to come into school to apply on line.
