Wow! The food was delicious! We watched some slideshows. Later, we had a polish soup with: sausage, carrot, cabbage and a dumpling. Everyone who tried the soup loved it. By Zoe

WOW!!!!!! I didn't know that!! I didn't know all those things about Poland! Chris drove the school to the CWA day. We had to make PowerPoints about Poland. Mine was about the languages and the religion. I remember that Dzien Dobry means goodnight and Witmany W Polska! means welcome to Poland! Arley won a prize for neat colouring in. By Katie

## 5 June Taster Day at Walcha Central, by Year 6

Wow! That chook is so weird! Ag is the best! The classes that we had were Ag, music, food tech and PBL. I loved Ag the most because you could hold chickens and lead ram lambs. In music the teacher halved the class. One half was doing Japanese folk music whilst the others did a test on where to put certain words on a piece of paper. Practising the Japanese folk music was very fun, for a moment I felt like a real musician. Before the end of the day we did food tech, which Ms Saffy taught. We were put into pairs and my partner was Bella. Ms Saffy gave us a piece of paper on how to make a quiche. Ours turned out great but others came out watery. Taster days are the best! By Iva

I thought agriculture was the best because we got to see the different breeds of chickens. Those chickens were so fluffy and small. The four breeds were Silkies, Belgians, Australorps and Pekins. My other favourite bit was the ram lamb club. We got to lead the rams around and take the halters off and get them in other paddocks. I think that was the best thing about the whole entire day. By Alexi

Maaaaaaaaaaaaaaaa! "Ugh! Leading these rams is so hard!" Agriculture was so much fun! My favourite part of Ag were the chooks. I knew most of the breeds that Ms Reeves was talking about which were a Belgium, an Australorp, some Silkies and a Pekin. My other favourite part was the music which we did with Mrs Adair. It was really awesome because we got to play on the keyboards and learn the Japanese folk song. We also cooked with Miss Saffy in food tech. We cooked quiche and I was in a group with Mackenzie and Steph. By Molly

### GOLD AWARD

Congratulations to  
**Daisy O'Brien**

This award will be presented at our end of term assembly.

### Public Speaking Day at Nowendoc 28 June

The whole school will travel to Nowendoc to participate in public speaking activities. **The bus run will be 15 minutes earlier in the morning** to allow us to get to Nowendoc on time. This is an excellent opportunity for our children to become more confident speaking in front of a larger audience.

### NAIDOC Day at Bendemeer 4 July

We have been invited to participate in NAIDOC activities at Bendemeer. I understand the day will begin with a smoking ceremony followed by four different activities for the children to rotate through. There will be a limited number of seats available on the bus for interested parents/carers to attend the day. Please let the school know if you are interested.

### SRC Thankyou

Woolbrook's Biggest Afternoon Tea raised \$107 for the Cancer Council. The SRC would like to thank everyone for their kind donations. We really appreciate all your support.
