I loved everything about the small school athletics carnival. I went in the 800 metre, 200 metre and 100 metre races. I came first throwing 11.68 metres in the senior girls discus. Phoebe threw 8.29 metres. In shotput I came first throwing 4.6 metres and Phoebe threw 3.73 metres. It was a great day. By Lexi

Bang! The gun went off! On Friday the 18th of May all of Woolbrook School went to Niangala for the athletics carnival. I really enjoyed the day, but the best part I liked was the discus. In discus I got 9.19 metres and that put me in second place. By Daisy

On the 18th of May the school went to the athletics carnival. My favourite part of the day was watching Iva and Angus doing high jump. Angus won with 1.09 metres and Iva jumped 1.07 metres. By Zoe

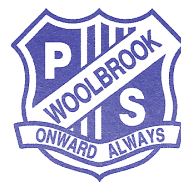

Yeah! I made it! Onto the next level! Woolbrook School went to Niangala for a small schools athletics carnival. My favourite part was all of it. I enjoyed every second of it. I enjoyed shotput, discus, long jump and high jump. I came first in shotput, discus and long jump. Angus Weise came first in high jump. He could jump so high it was unbelievable. After high jump we had the relays. My team was Angus, Alexi, Molly and Daisy. We came second, but at least we had a go. At the end of the day I came runner up senior boy champion. I enjoyed the day a lot. By Iva

Small Schools Athletics Carnival Highlights

I ran really fast at the sports carnival. By Theo

I won a prize at the sports carnival. By Arley

I jumped on the high jump. I thought I was going to miss and touch the bar. I didn't touch the bar! I tried again and I didn't touch the bar that time too. I was so happy that day. This is the best day of my life. By Letiesha

The sports carnival was fun. I take off! I'm almost there, I come second! Stomp! Stomp! Marching was fun. Two people have to stand at the front. Ahh! Turn. I don't know if I can make it over. It's too high, I guess I have to try. Jump, I made it! Come on I can make it across the bar. Jump! I made it. Oh, sand in my shoe. By Jannali

At the sports carnival I jumped over the bar and on the mats. The bar got higher and higher. We had three chances and then we got out, but the day was good and the sports carnival was fun. By Levi

I liked the up and down of the high jump. I had three goes, I like to have a go. By Tiffany

I went to the sports carnival and I did my favourite sport, the high jump. I didn't get over it, but I had a go. I was nervous because I thought I did not touch the pole, but I did. I was proud of myself. By Steven

Zoom! I was racing against five runners and I took off into the race. I came second! I've got friends at the sports carnival. I bought lollies for myself and my Mum and Dad. It was fun, it was my first time buying things. By Brayden

Taster Day

Just a reminder that years 5 & 6 are off to Walcha Central next Tuesday for another transition day. They are able to catch the high school bus, but there will be a cost of \$1 each way.

CWA International Day at Walcha Central—Poland

On Wednesday 13th June we are going into Walcha Central by bus to participate in this day. Our competitions will be on display and we will listen to speakers. Students are able to pre order a Polish lunch by returning the attached note.

My favourite part was high jump. It was a really good competition between Iva and Angus. They were the last two competitors. Iva made it to 1.07 metres and Angus made it to 1.09 metres. So Angus beat Iva by two centimetres! It was a pretty good day.

The people who ran the 800 metres were Steven, Mia, Iva, Daisy, Alexi, Brayden, Levi and Lucas. My favourite game was discus, which was supervised by Mrs Carter. I also liked relays, which were supervised by Mrs Hazlewood. I wish I could go again today. Do you want to go too? By Katie
