We started and Mrs Brown blew the whistle and we started racing and I tripped over on the concrete. Then we went to a teacher at the cone for 2 kilometres and we started going back and I fell over again. At the finish, even though I fell over, I still came third. By Brayden

When we got there I had to run to catch up with everyone to walk the course for the 2km run. We started the race and ran down the track and around the cone to head back to the finish. When I got to the finish I came fourth out of all and first out of all the small schools. By Levi

Weeks 8 and 9 Term 1 Friday 29 March 2019

We needed to line up and I was nervous. When we ran I was puffed out. Aunty Tarra cheered us on and then I kept on going. I saw this teacher, she had to put number one on our hands. When I got back I had to run around the oval and we needed to get a card and give it to a lady. I came seventh, Nerida came first. Out of the small schools I came second and Nerida came first. By Jannali

We lined up and there was a lot of people talking and the little people ran first. Then it was the big people's turns. Jannali and I were very, very nervous. We went on the other side and there was a black line and the teachers said 'Get ready, Set' and then she whistled and we all ran. I was first and Jannali was seventh and she was almost up to me. And then we got some numbers. People who were first, second and third got ribbons and medals. By Nerida

ANZAC March

Unfortunately this year Woolbrook School won't be participating in the ANZAC March due to a high number of students being away on holidays and therefore being unavailable.

I ran really fast and won. And I played with Dylan.
