Shiver! Shiver! I am so cold! The swimming carnival was tiring. I swam in everything. I swam 100 metres in freestyle. That is two laps. I was exhausted. I was breathing very hard. I only wanted to swim twenty-five metres but Mum said I should swim fifty metres. I got a lot of ribbons. I'm still very tired. By Katie

Beep! The swimming carnival was fun. I won two 3rd place ribbons. I competed in freestyle and backstroke. When it was freestyle I belly flopped. It stung. It was the best day ever. By Maddie

Oooooh! It is so cold. When I got in I swam to the shallow end. I came first three times. I won 50 metres freestyle, 50 metres breaststroke and 25 metres backstroke. After recess we did relays. I had fun. By Dylan

## **Swimming Carnival**

Yesterday we went to the swimming carnival. Steven, Theo and Jannali and I were in a race and Steven won but it was not a proper race. It was for fun. By Nerida

Yesterday we went swimming and we were late but we made it in time for the 25 metre swim. I came first, Jannali came second, Theo came third and Nerida came fourth. After recess we had some across the pool relays. It was fun being mixed up with the other schools. The noodle races were funny because I kept getting stuck giving the noodle to the next person. By Steven

GEEZ!! Wow it's cold. I got in to do my freestyle. I came 2nd. Then I did breaststroke and came 2nd. We did relays in the pool and we had teams of different schools. We were in the deep end and it was so fun. I can't wait for next year. By Levi
