School Photos

Our students looked fantastic for our Tuesday morning photo shoot with Mrs Davidson. All students were photographed in their school uniform as well as their 2021 NAIDOC shirts. Photograph packs will be delivered to the school for distribution by the end of week 10.

Check In Assessment

Students in years 3, 5 & 6 have taken part in the Check In Assessment online testing opportunity. Results of these tests will drive planning for future teaching and learning.

Coastal Education Week

This week we have been engaging with a number of speakers on the topic of 'Coastal Education'. All students have taken part in sessions on: the dangers of rips, sharks and fish information and stories from shark bite survivors.

These are important information sessions as we live on the Northern Tablelands and may visit coastal areas in holiday times.

Selective High School Placement for Year 7 entry in 2023

Thinking of applying for a government selective high school for Year 7 in 2023? The application website opened on 19 October 2021.

Safe Respectful Learners

Playground Improvements

Our playground is now a little bigger thanks to Mr Laurie and his trusty tractor. We have been extending the playground to include a 'Yarning Circle' next to the tennis court. The grounds have been cleared and the fence line realigned, ready to place our totem poles in the ground and surround them with bush tucker plants and indigenous. We will keep you updated on the development of the area and will hold a celebration when the time comes to officially open our 'Dunghutti Yarning Circle'.

We now have a Defibrillator

Woolbrook Public School now has its own Defibrillator. It is located on the corridor of the main building. If needed please contact the School or Janelle smith.
