High School

Yay!! I get to go to high school for two days. On Thursday I got ready and because I am not allowed to walk by myself mum walked with me to the bus. Mum and I were waiting for the bus and I began to get nervous. When I got on the bus it was so long and I sat in front of Grace. When I was at the school I was sent to the Library. There were a lot of kids around my age. On Friday the teacher told us that this is the class for next year. The teacher gave us candy and a tour around the school. We all did lots of activities. On Thursday and Friday afternoon the Principal taught us a game called Matball. It was so fun. I got to see my friends and I got to make new friends. I also got to see my year adviser. I cant wait for next year. By Tiffany

The New Chooks

Brrk Brrk!! Last Monday I brought some new chooks to school and they are doing well. I made sure the chooks are kind and they're easy to catch when you let them out.

Big Beach Week

This week we have been learning about surf life-savers and we watched a video on what lifesavers do! We learnt where to swim, what to do if we need help and that we can go over to a life-saver and have a chat with them because they love a good chat. We have all learnt about rock-pools and what lives in them and how they live in there. By Levi Olsen
