# Woolbrook Public School Newsletter

Term 2 Week 10 June 30 2022

## Small Schools Athletics Carnival

After a frosty start we enjoyed a day of sunshine for the Small Schools Athletics Carnival at Walcha Central School last week. All students participated in a variety of events with **Arley Olsen finishing as Junior Girl Champion** and **Brayden Greenhalgh finishing as Senior Boy Champion**.

All students are to be commended on their efforts on the day.

# Safe Respectful Learners

## Reports

Semester One 2022 Student Reports are being distributed today.

Please take the opportunity to discuss these reports with students and contact the school if you would like an interview to reflect on results and have input in the development of 'Where to next' plans for individual students.

## MacqLit Reading Program

Our 2021—2024 school plan includes a focus on reading results. The school has now purchased a MacqLit program to support students in their reading. Students will be participating in individual focused MacqLit sessions to develop their reading strategies and skills.

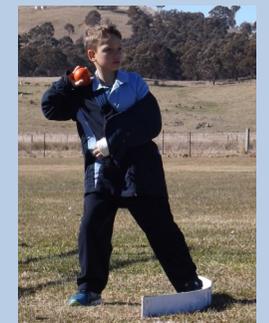

## STEM Kit

Woolbrook School has secured a STEM 360° Camera Kit for term 3. The 360° Camera kit will encourage students to explore and examine their environment in a new and critical way.

360° technologies allow students to choose a location important to them, capture it in either still photo or video, then annotate elements of the space to demonstrate, understand and share their knowledge.

## Uniforms

The P&C have ordered new Woolbrook School polo shirts for all children. This order was included with family orders and should be received soon. We look forward to seeing students in their new shirts.

**Student Of the Week! 17/6**

**Nathaniel Worthington**

**For working hard in all areas**

**Student Of the Week! 30/6**

**Dylan Hoad**

**For his focus in the classroom**

## **Staff Development Day**

Monday 18th July will be a Staff Development Day with staff from Niangala and Bendemeer Schools visiting Woolbrook School to collaborate and plan for the term ahead.

Staff will be completing professional learning on Fluency and Vocabulary to support student reading results. The 'Achieving School Excellence in Wellbeing and Inclusion' document will also be unpacked to support Staff in their understanding of the evaluation process.

## **Planning and Data Day**

Teaching staff spent the day with our Assistant Principal Curriculum and Instruction, Alyce Notely, on Wednesday 29th June to analyse data for planning and preparation for the term ahead. Individual Learning Pathways will be developed to support students to focus on the next steps in their learning.

## **Thank you**

We would like to thank Jess Goodwin for her generous offer to drive the bus for our excursion to Walcha tomorrow for the 'Last day of school' activities. All students will be having a 'roll' on the Walcha Bowling Club greens before enjoying lunch at the park. Fingers crossed for dry weather.

## **TERM 3 Return Date for Students**

All students return to school on **Tuesday 19 July** for the start of a busy and engaging Term of learning.

# Walcha Council WINTER
